

Squirrels and Acorns

Name: _____

A to Z Kids Stuff atozkidsstuff.com

Nuts grow on trees.

When the fall wind blows and rustles all the leaves.

Down fall the acorns from the trees.

1

A to Z Kids Stuff atozkidsstuff.com

Squirrels gather the fallen nuts and store them for winter.
Sometimes squirrels bury nuts and forget to eat them.

2

A to Z Kids Stuff atozkidsstuff.com

Those nuts sprout and a new tree grows.
Nuts are the tree's seeds.

3
